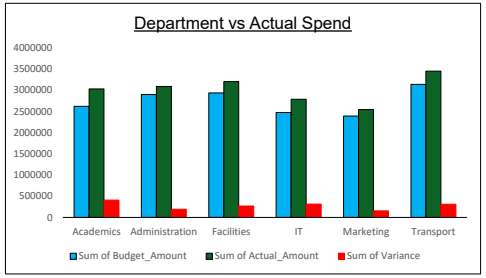
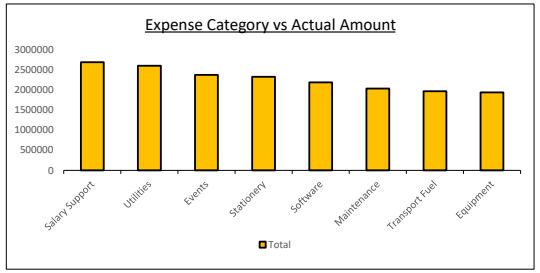
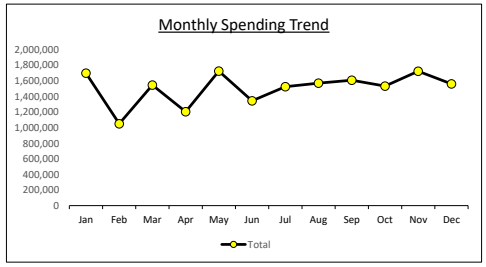
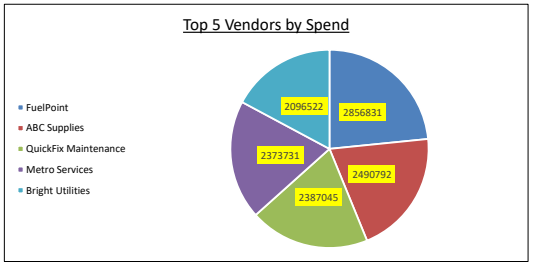
Total Budget	Total Actual Amount	Total Variance	Highest spending department
1.64cr	1.81cr	-0.6cr	Transport









Key Insights

1) The Transport department showed consistent budget variance, mainly due to fuel expenses exceeding planned estimates.

2)Vendor analysis showed that 3 vendors contributed to nearly 40% of operational expenses, which suggested potential negotiation opportunities.

3) Monthly trend analysis revealed a spending spike during event months.
